Before you can print a copy of your Funding Deed for signing please read below:

- Ensure that the correct entity block is visible below, you may need to refer to your organisation's constitution.

Organisations that have the incorrect signature block visible will need to contact the Department before execution.

Trust - A trust is not a legal entity, so it cannot contract in its own right. Deeds relating to trusts are entered into by the trustee of the trust. The correct execution clause will depend on what type of entity the trustee is, eg: an individual trustee or a company trustee (see execution blocks for both). The witness must not be a beneficiary of the trust.
